

▶ NT 002

Lightweight seamless Double Dipped glove is an outstanding general-purpose option that features a 15-gauge nylon/spandex shell. The shell is enhanced by Micro foam water wash Technology dipped palm.

FEATURES

Comfortable cut-resistant gloves feature a high-visibility 15-gauge shell double dipped Glove. The palm coated nitrile with Mach Finish provides excellent grip in wet or oily situations and abrasion resistance, while the fully-dipped nitrile coating protects against liquid saturation. Knit wrist cuff offers users a secure, comfortable fit and prevents gloves from slipping off during use.
